Welcome to this inviting porchfront home in the heart of West Powelton, where thoughtful design and everyday comfort come together. The main floor features a unique and flexible layout, starting with a spacious entryway with hardwood floors that flow seamlessly throughout the home. A designated dining area sits perfectly between the entry and a generously sized living room – ideal for your sectional and TV, with no glare from the front windows.

Toward the rear, you'll find a well-placed powder room and an eat-in kitchen equipped with stainless steel appliances, granite countertops, wood cabinetry, and space for a small island. A large window fills the kitchen with natural light and the back door leads out to the serene back patio – a perfect spot to relax or cultivate your urban garden. A convenient side alley provides discreet storage for tools and trash bins.
